THE OBSERVANCE OF  
EASTER IN CHURCHES

SPECIAL MUSIC HAS BEEN ARRANGED AND MANY WILL ATTEND

## DATE OF EASTER

Is Not Always Same But all Christians Celebrate Resurrection of Christ.

Services appropriate to the commemoration of Easter will be held in Anderson churches tomorrow. Announcements of the musical part of the services show that this will be a beautiful feature of the programme of the different churches. Decorations fittingly portraying the occasion of the services have been arranged for, and these will greatly enhance the impressiveness of the worship.

Although Easter does not fall on any fixed date in the calendar, and therefore, is not the exact day of the year on which Christ arose from the dead, it is celebrated by Christians throughout the world in commemoration of that event. Easter day comes always on the first Sunday after the full moon, which happens on or after next March 21 and if the full moon should happen on a Sunday, Easter day is the Sunday thereafter. Thus Easter may come on March 22, or as late as April 25. Easter Sunday occurs just two days from the latest date it can occur this year. The Lenten season is in direct contrast to that of 1913, when Easter was on next to the earliest date possible.

## Fire Yesterday Afternoon.

The fire department was called to Brown street yesterday afternoon about 6:40 to extinguish a blaze at Mr. Lafoy's home. The flames had a good start, on the firemen but they succeeded in confining the flames to the roof, which was about destroyed. The water damage will amount to a good deal. It could not be learned whether insurance was carried or not.

MOTHER! GIVE CHILD  
"SYRUP OF FIGS" IF  
TONGUE IS COATED

If Cross, Feverish, Sick, Bilious, Clean Little Liver and Bowels.

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach aches, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

## Revival Meeting at Orrville.

The revival meeting at the Orrville Methodist church which was begun by the pastor, Rev. L. W. Johnson, last Sunday bids fair to accomplish great good in the community. Rev. J. L. Harley, conference evangelist, came to the assistance of the pastor last Wednesday and will remain at least through the fifth Sunday, April 30th.

The meeting is gaining force and increasing in numbers at every service. A personal workers league was organized last night and the community will be thoroughly canvassed for the purpose of winning souls for Christ and the church. The names of about sixty people have been handed in as not being members of the church. Personal letters are being sent to these special ones and the hope is that scores of them will be brought to Christ and into the church during the meeting.

This is the fifth meeting conducted by Mr. Harley this year, and the methods being employed in the Orrville meeting are the same methods which have brought about such gracious results in other places. In the four preceding meetings two hundred and four people united with the church and scores more converted to Christ.

Services for Sunday, April 23rd, will be held at 11:30 a. m., and at 7:30 p. m. Services during next week will be held at 3:30 p. m., and at 7:30 p. m.

## SOCIETY

## Mrs. Marshall Hostess.

On Thursday afternoon Mrs. Edw. Marshall was hostess for the Palmetto chapter, U. D. C., when it held its April meeting. Miss Harris, vice president, presided and in spite of the fact that it was not the regular day for the chapter, the attendance was unusually large. After the regular routine business Mrs. J. I. Brownlee and Miss Harris gave their reports from the Piedmont District conference recently held at Greer. These conferences are always a great benefit as they help the different chapters to keep in touch with each other so the members listened with a great deal of interest to these talks. The president then read the assignment of committees for the memorial day decorations. These plans were discussed with a great deal of enthusiasm for many of the daughters consider this the most important duty of the chapter.

The program for the afternoon on General A. S. Johnston was a particularly good one. Mrs. Arthur Holman and Mrs. Frank Reed read sketches of his life and military career. A real treat came when Mrs. E. P. Vandiver, the Historian, read a paper on life in the south during the Confederacy, written by Miss Bettie Earle. After the adjournment the guests enjoyed a pleasant social hour, during which the hostess assisted by Miss Georgia Marshall and Mrs. Jake Sullivan served a dainty and refreshing salad course with an ice.

## A Theatre Party.

Caroline, the attractive little daughter of Mr. and Mrs. B. W. Spencer, entertained twenty of her friends on Thursday afternoon at the Bijou theatre. After the pictures they were invited to the ice cream parlor where cream and cake were served.

Caroline's guests were: Mrs. Daisy Wilson, Evelyn Archer, Sarah Sanders, Ruth Keesee, Wilma Huggins, Emily Tribble, Louise Lindley, Emily Frazier, Georgia Lee Muldrow, Elizabeth Tribble, Louise Barton, Emily Dean, Elizabeth Divver, Jessie Mae Green, Marian Murphy, Martha Lumpkin, James Hanks James Hammett, Joseph Womble.

Mr. and Mrs. W. B. McCown of Darlington are visiting Mrs. McCown's mother, Mrs. Sallie Crayton, and other relatives.

Mr. and Mrs. Eugene Crayton of Charlotte, N. C., are visiting Mr. Crayton's parents, Mr. and Mrs. B. Frank Crayton.

## Due West Alumnae.

The Due West Alumnae was delightfully entertained yesterday afternoon by Mrs. J. R. Young at her home on the Boulevard.

The house was bright with large graceful sprays of dog wood, that made it very attractive.

Skitspeedy's women characters was the study for the afternoon, and the first paper was a sketch of four prominent characters by Miss Anna Brown.

Miss Finley played several bright instrumental selections and Mrs. W. H. Nardin gave a beautiful vocal solo.

Miss Jean Harris gave the treasurer's report, after which the chair appointed two committees.

A year book committee, Mrs. Calhoun Harris, Mrs. Holbert Acker, and Mrs. Walter Masters.

A nominating committee, Mrs. J. E. Barton, Mrs. John K. Hood, and Mrs. Frank Burris.

During the social session the gracious hostess assisted by Mrs. J. E. Barton and Mrs. Frank Burris served a delightful salad course. The May meeting will be held with Mrs. Jean Harris.

Parents Should Know  
this Splendid RemedySimple Laxative Compound  
Helps to Correct Constipation in Children.

With all children there are times when the bowels fail to act naturally and it becomes necessary for the parents to administer a remedy. Cathartics and purgatives should never be used as these agents afford only temporary relief while their violent action shocks the system unduly. Mrs. Eva F. Gaff, 517 10th St., Washington, D. C., says that her little girl, Marie, had been subject to constipation, and that she found Dr. Caldwell's Syrup Pepsin the best remedy because of its mildness, and now always keeps a bottle of it in the house.

Dr. Caldwell's Syrup Pepsin is a compound of simple laxative herbs, free from opiates or narcotic drugs of any kind, and is an ideal remedy for children because of its mild action and positive effect. Its use tends to strengthen the impaired bowel action and restore normal regularity.

It is important that parents should know of a dependable remedy which
